WE ARE HIRING

GROW YOURSELF & BE PART OF OUR GROWTH STORY

Skilrock Technologies

SUGAL & DAMANI GROUP

www.skilrock.com

Founded in 2007, Skilrock Technologies is an innovative Software product company managed by IITians. In the past decade, based on a strong portfolio of products for Gaming industry, Skilrock has expanded its Technology solutions to various countries of the world. You can be part of our Growth story as we develop innovative new products and enter new markets all the while catering to the generations of consumers.

SUGAL & DAMANI

SkilRock Technologies Pvt. Ltd. is a fully owned subsidiary of Sugal & Damani Group (www.sugaldamani.com), which is a diversified group with approx. 2 B$ turnover and spread over three continents. Sugal & Damani Group is a 45 year old privately held business conglomerate and is the largest state government lottery operator in India, Runs the second largest commercial services business "Payworld" with 65,000 retail touch points and has diverse business interests ranging from real estate to power generation to stock broking and more..

SkilRock Technologies was incubated to develop flexible software solutions for global markets with two major ingredients as Innovation and Quality. To start with, SkilRock chose the Gaming Industry as first Target Domain to leverage on Sugal & Damani's comprehensive domain knowledge, where the solutions range from Web & Mobile Gaming Portals, Interactive games, Control and Management Solutions and also comprehensive platform for retail network including customized ERP Solutions.

Beyond the Gaming Solution Space, SkilRock is working on expansion of its solution for the travel, Banking, Commercial Services (Bill pay, Airtime, Money Transfer etc) industry. Given the competence available within SkilRock and the opportunities being leveraged by Sugal & Damani, a very high growth and diversification is expected in the days to come.
